

STUDENT OUTCOMES

An overview of A Level and BTEC results

A word from Directors of Post 16, Aimi Potter and Owen Tiplady on this summer's Post 16 results:

"We could not be more proud of the resilience and maturity our Year 13 students have demonstrated in preparing themselves for this examination series. The past two years have been incredibly tough for us all, but this age group really has been hit the hardest.

"Our students have maintained a positive outlook and shown both patience and ambition as we have navigated national uncertainties, as well as the impact of school closure and close-contact isolation.

"It has been an incredible boost to be able to see our students today to collect and celebrate a set of results which they have worked so incredibly hard to achieve. We have been happy to share in their successes and excitement for the future in the many conversations that have already taken place.

"For more than ten years, our schools have been working together, as the North Bristol Post 16 Centre, to make sure that every student has the opportunity, support and skill set they need to reach (and extend far beyond) their goals."
