

STUDENT OUTCOMES

An overview of A Level and BTEC results

A word from Directors of Post 16, Aimi Potter and Owen Tiplady on this summer's Post 16 results:

"We could not be more proud of this year group. Against a national backdrop of uncertainty and disruption they have worked hard with their teachers to achieve amazing results. As always, we also celebrate the immeasurable personal achievements of our young people over the past two years.

"This cohort of students leaves us not only with their hard earned qualifications, but also a developed and confident sense of themselves and their place in the world. Every set of grades represents a personal challenge overcome, from our seven students who move on to Oxford and Cambridge Universities, to those moving into competitive apprenticeships in law, business and engineering - everyone has something to be proud of today."

"For more than ten years, our schools have been working together, as the North Bristol Post 16 Centre, to make sure that every student has the opportunity, support and skill set they need to reach (and extend far beyond) their goals."
